OUR MISSION

Marina Dock Age's mission is to provide marina/boatyard owners and managers with the information they need to operate more efficiently, expand their business, and improve their profitability.

The Docks Expo has proven to be a valuable resource in reaching and communicating with marina owners and operators. While still young, it shows great promise of an even brighter future and we look forward to its continued presence in our trade show circuit."

"The Docks Expo was a tremendous opportunity, for our company, to make new professional contacts and utilize a wide variety of vendors to enhance our services to our customers. The education and panel discussion sessions were led by knowledgeable professionals that provided our team with multiple opportunities to make our business better and stronger. We are excited about attending the next Docks Expo!"
